BEGINNING - INTERMEDIATE - ADVANCED .....DRUM TECHNIQUES

THE DRUM SET:... as applied to the various musical styles of today:

ROCK N' ROLL, JAZZ, R&B, POP, LATIN, etc.

Differences in technique of playing with small groups and large ensembles.  
Tuning the drums: for Recording Studio use, and for Live Performances.  
Choice of Sticks, Heads, Cymbals, Pedals, Drum sizes, etc.  
The Drum Set as part of the Rhythm Section, and as a Solo Instrument.  
Stick Control, and Hand and Feet Speed.  
Which drums to mike in a Live Concert, and How.

The main objective of the classes is to place the student, as he progresses, in contact with the Practical Side of playing and performing. Special emphasis will be placed on relating musically to groups. Under teacher supervision and guidance the student will be playing with a full rhythm section, to enable him to recognize special situations encountered when playing under a creative atmosphere, in a recording studio, and live performance situations.

Classes to be taught by CLAUDIO SLON, noted drummer and percussionist, who has recorded and performed with, among others, BARRY WHITE, FRANK SINATRA, LEE RITENOUR, THE JACKSONS, MINNIE RIPPERTON, "PAGES", "BRASIL'66", "BRASIL'77", DON ELLIS, DAVE GRUSIN, JOE PASS, etc. Mr. Slon has more than 50 Album Credits, participated in several World Tours with various groups, and performed on all the major TV Shows, Music Specials, and Music Festivals in the U.S.A., Europe, Japan, China, South America and Australia.
